

(B) collaborated with the Corporation in the development of the identification procedures required by section 1515(f) of this title.

#### (5) Use

The information collected using the information management system developed under this subsection may be made available to—

(A) any Federal agency that requires the information to carry out the functions of the agency; and

(B) any approved insurance provider, as defined in section 1502(b) of this title, with respect to producers insured by the approved insurance provider.

#### (6) Relation to other activities

This subsection shall not interfere with, or delay, existing agreements or requests for proposals of the Federal Crop Insurance Corporation or the Farm Service Agency regarding the information management activities known as data mining or data warehousing.

#### (c) Authorization of appropriations

In addition to amounts made available under subsection (a)(3) of this section, there are authorized to be appropriated such sums as are necessary to carry out subsection (b) of this section for each of fiscal years 2003 through 2008.

### § 8101. Definitions

In this chapter:

#### (1) Administrator

The term “Administrator” means the Administrator of the Environmental Protection Agency.

#### (2) Biobased product

The term “biobased product” means a product determined by the Secretary to be a commercial or industrial product (other than food or feed) that is composed, in whole or in significant part, of biological products or renewable domestic agricultural materials (including plant, animal, and marine materials) or forestry materials.

#### (3) Biomass

##### (A) In general

The term “biomass” means any organic material that is available on a renewable or recurring basis.

##### (B) Inclusions

The term “biomass” includes—

- agricultural crops;
- trees grown for energy production;
- wood waste and wood residues;
- plants (including aquatic plants and grasses);
- residues;
- fibers;
- animal wastes and other waste materials; and
- fats, oils, and greases (including recycled fats, oils, and greases).

##### (C) Exclusions

The term “biomass” does not include—

- paper that is commonly recycled; or
- unsegregated solid waste.

#### (4) Renewable energy

The term “renewable energy” means energy derived from—

- a wind, solar, biomass, or geothermal source; or
- hydrogen derived from biomass or water using an energy source described in subparagraph (A).

#### (5) Rural small business

The term “rural small business” has the meaning that the Secretary shall prescribe by regulation.
